

## A VILLAGE HOME

Where Pe-ru-na Is Used As An All-Round Reliable Family Medicine.

There Are Thousands of Similar Homes In Which Pe-ru-na Is Being Used With the Same Excellent Results.

Fountainville, Pa., Feb. 16, 1902.  
W. D. Hartman, M. D.

Dear Sir:—I have been thinking of writing to you for some time to let you know what Peruna did for me.

I am fifty-seven years old. I lost my health about six or seven years ago. I first had dyspepsia and employed different doctors.

Last year I injured one of my kidneys. I had one of the best doctors for that. He put me to bed, not to move for two weeks.

I slowly recovered, but was so weak and prostrated that I could walk but a short distance. In fact, I had to keep quiet.

I took several remedies, but obtained no relief. I also had catarrh in some form.

My wife advised me to take Peruna, and it was with pleasure that I can say that by taking one and one-half bottles of your Peruna I cured me, and I feel all right. I send this with many thanks to you, as I enjoy life again.

My wife has also been taking your Peruna for asthma, and it helps to relieve her. We keep your Peruna in the house constantly. Again I say I thank you for Peruna.

Sincerely yours,  
PHILIP KRATZ.

Fountainville, Pa., Nov. 9, 1902.  
Dr. S. B. Hartman:

Dear Sir:—I have good health now, and your valuable medicine gave me good health. I have had no doctor for some time, as I do not need any. When

I take cold I take Peruna, and in a short time I am all right. My wife is subject to asthma. She takes Peruna at that time, and she has had no need for a doctor for some time. With many thanks for your medicine, we remain,  
Sincerely yours,  
PHILIP KRATZ.

Fountainville, Pa., April 16, 1906.  
Dr. S. B. Hartman:

Dear Sir:—We have Peruna in the house all the time, and when we think we need it, we take it. We are about sixty years old, and have not called a doctor to our place for some years.

We go out in all kinds of weather, and sometimes when we go on a trip we take Peruna along. A preventive is better than a cure. That has been our experience.

I had poor health some years ago, and when I found your medicine I had the right thing. We both thank you for your good medicine.

Sincerely yours,  
PHILIP KRATZ.

Witness to Signatures.  
I, John Donnelly, Mayor of Doylestown, Pa., have been acquainted with Mr. Philip Kratz for twenty-five years.

I know him to be an honorable and useful citizen. He, in my presence, signed the above statements concerning Peruna, which I have every reason to believe are true in all particulars.

(Signed)  
JOHN DONNELLY, Mayor.

## NUMEROUS CASES ARE DISPOSED OF

Surry Court Has Variegated List of Offenders With Which to Deal.

(Special to The Times-Dispatch.)

WINSTON-SALEM, N. C., November 28.—Several cases were tried in Surry Superior Court this week. Tom Martin pleaded guilty to selling two quarts of brandy in Mt. Airy, and was fined \$25 and costs. It seems that Martin owns land in Yadkin county, and sold fruit to a stiller and took part pay in brandy. There was no evidence that he had made more than the one sale, and then a neighbor asked him to bring him a little when he came back from Yadkin.

William Anderson was fined \$25 for cutting the throat of George Stanley in Westfield, Towns, Ga. It was a drunken row, and the men quarreled about whether or not a negro has a soul. Stanley used a chair and a tea kettle on Anderson, who then used his knife. Anderson was knocked down by a blow on the head with the kettle. Stanley is gone.

Frank Parries was fined \$25 for breaking the jaw bone of Frank Davenport with a rock near Mt. Airy, last August. Davenport, an old man, gave Parries money and they got drunk and had a fight, in which both were badly used up. Parries is a young man, and proved a good character.

Henry Atkins was convicted for selling elder at his store in the county, several miles east of Dobson. The jury was out several hours before they could agree. The fine was \$25 and costs. The evidence was that Atkins sold the elder at his store, and men and boys came to his store to buy it.

Sidney Jones of Mt. Airy, was given a hearing for abusing his wife, who went on the stand and told how he tried to shoot her. Her testimony was corroborated by that of other witnesses. The lawyers defending him put up no witnesses in his defense, but reasoned with the judge that Jones was mentally unsound. After considering the case a day or two, the judge sentenced him to eighteen months in jail.

Riley Watson was sent to the roads for eighteen months for trying to kill his brother, Emanuel. The two men quarreled, and Riley got his gun and shot. He aimed about one inch too high, and only scalped his brother.

PLAN IS ENLARGED.

New Committee Appointed to Look After Institution.

(Special to The Times-Dispatch.)

BLACKSBURG, Va., November 28.—The Board of Visitors of the Virginia Polytechnic Institute, at the meeting here, recently adopted the following resolution:

Resolved, "That, in addition to the executive committee of the board, four committees be appointed, composed of three members, one member of which shall be a member of the executive committee. The general duties of these committees shall be to secure the interests of the respective departments of the institute and report upon the same to the president and board, with such recommendations as they deem proper and helpful to the several departments and institution."

Dr. Barringer is an ex-officio member of the several committees, and the members are:

Finance and Expenses of Students—R. J. Noel (chairman), J. C. Carrington, J. W. Churchman.

Instruction and Equipment—H. M. Smith (chairman), J. S. Musgrave, J. D. Eggleston.

## GIN DESTROYED BY NIGHT RIDERS

They Are Pursued, but Make Their Escape in Dense Swamp.

(Special to The Times-Dispatch.)

WILSON, N. C., November 28.—Last night at 12 o'clock the cotton gin belonging to the Walstonberg Ginning Company was consumed by fire, together with a quantity of seed cotton, cotton-seed meal, a wagon and five bales of cotton.

Just after the flames were discovered two men were seen to ride off at breakneck speed. They were tracked for a mile or more, when they took to a dense swamp, and their trail was lost.

Within the past few weeks several gins have gone up in smoke, and it is thought that night riders are the culprits.
